

Date.....

Dear.....MHK
I am contacting you to let you know that I care deeply about the impact of Climate Change. I support the Government's energy strategy for the island to produce its own green energy and to reduce its carbon footprint. I ask you to support these measures that they may be implemented as soon as possible.

"We Care" about Climate Change

Write about what part of Climate Change worries you the most :

I care about

Tell your MHK what you are doing to reduce your carbon emissions:

.....
Please post this, or send a photo of it coloured-in to your MHK. This is part of the "We Care" Campaign IoM.
Please fill in the details on the other side.
